South America

WHO

CHOCOLATE INDUSTRY We deliver a superior taste by using Single Origin Cacao Fino de Aroma. We can guarantee our Business sustainability, transparency, supply and consistency, by Integrating the entire value chain from the first seed to the final product.

Years of experience in the

WHO

TO MAKE THE WORLD A BETTER PLACE BY HELPING OTHER COMPANIES CREATE PURPOSE DRIVEN PRODUCTS USING OUR CHOCOLATE AS A TOOL FOR CHANGE.

## THE CHOCOLATE DREAM:

Driving Change in the cocoa-producing regions of Colombia

## THE MOST BIODIVERSE COUNTRY PER SQUARE METRE ON EARTH

## Small farmers

How we do it!

#### FARMER

 We work directly with more than 50 small farmer cooperatives in Colombia representing 5.000 families.
 We train 700 farmers per year at our research center (Granja Luker).
 6 cocoa purchasing offices around Colombia.

## Our own cacao forest

WORKERS

COMMUNITY

### CROP

Since 2011 we started our own cocoa forest in regions in Colombia heavily impacted by the armed conflict. We have 3 peace bulding projects in different regions. **Necoclí:** 550 hectares. **Casanare:** 1.000 hectares. **Huila:** 45 hectares.

\*Metrics conversion: 1 HA = 2.5 acres
